MAX has the training programs aligned with the funding programs that will pay for the career training you need. Call our career counselors today.

FUNDING FOR TRAINING

Our team of Senior Instructors, subject matter experts, and hiring partners are consulted to craft programs that meet the requirements for funding. You can work with our advisors to select a predefined program or we can help you build a personalized training track.

The best way to connect with the funding you need is to contact our advisors at [513-322-8888](tel:513-322-8888). In a brief conversation, we can align you with the right programs and help you complete the application process. You may be eligible for more than one funding source. Our programs are listed below and upon authorization you can be accepted into one of the following WIOA funded training programs.
