

# You're Invited

Join us for a special employer forum hosted by

**Bailey & Company** in partnership with **Activate**

Learn about the advantages of hosting an on-site or near-site clinic at this free event. Clinics integrate quality primary care with low-cost labs and prescriptions while providing individualized health coaching. Implemented by dozens of employers nationwide, clinics can reduce health care and worker's compensation costs significantly while increasing satisfaction. Smaller organizations have the ability to work together to share services of a near-site clinic by dividing the costs between its collective employers.
