

Human Resource Certification Preparation Course

YOU are the Future of HR!

It's time ... time to prove to your employer, your colleagues and yourself that you're ready for advancement! The HR profession is no longer just about what you know but rather how you effectively implement that knowledge in the workplace each and every day.

The **TOP 6 REASONS** why you should pursue SHRM-CP or SHRM-SCP Certification ...

- 1 The SHRM-CP/SCP credentials are **state-of-the-art certifications offered** by the Society for Human Resource Management (SHRM), the world's largest HR membership organization and the industry leader in HR professional development.
- 2 The SHRM exams **test your knowledge AND how you use that knowledge to demonstrate your proficiency** .
- 3 The SHRM program was created to **meet the needs of employers worldwide**, driving business through globally recognized competencies, achieved through critical thinking, practical application and real-world experience.
- 4 Over 100K professionals have earned their certification. To date, **more than 4,500 employers are seeking SHRM credential-holders every month**.
- 5 SHRM's recertification program provides a broad scope of eligible recertification activities, **allowing you to determine your professional development needs based on your career path**.
- 6 Certifications link directly to on-the-job scenarios and realistic work situations, making them the **most relevant certification available for HR professionals**.
