Priya D. Klocek
Opening Keynote

Acknowledging & Navigating The Elephants In The Room: The Current Reality Of Leading & Supporting DEI

This interactive keynote will focus on strategies for acknowledging our current realities while finding productive ways to continue the work. Together, we can create spaces where every voice is reflected, heard, and understood. We can move from polarization to acceptance as we learn to acknowledge the elephants in the room and find a way to adapt our approach.

Kenston Henderson Sr.
Closing Keynote

Cultural Transformation in the Workplace: 7 Keys to Create + Cultivate Racial Equity

The 7 Keys to create and cultivate racial equity
Understanding your organization's current and future state
Tools to host winning conversations about race
Understanding the importance of creating and cultivating racial equity in the workplace
Tips to implement during the hiring process
