

AUGUST 11-19, 2018

You give your time, and local charities get a boost

Tennis fan or not, find your match while volunteering at the Western & Southern Open. Whether you're catching an up-close view of the world's best athletes while ushering, or helping our fans from all over the world around the grounds, there's a volunteer committee that will fit your personal skillset and interests.

Just some of our volunteer teams:

- Ushers
- Media Center (PR)
- Marshals
- Player Transportation
- Access Scanning
- And many, many more

Our volunteers receive great perks like tournament apparel and tournament tickets, all while making lifetime friendships at this annual summer gathering. And you can feel good about donating your time, because your efforts allow the tournament to raise and donate funds to charity, including chief beneficiary Cincinnati Children's Hospital.

Registration opens April 15

Check out all the various opportunities and benefits on our website:
